Complimentary ASKO Warranty Extension

ASKO COMPLIMENTARY EXTENDED WARRANTY TERMS AND CONDITIONS

The Complimentary ASKO Extended Warranty Plan extends the standard manufacturer warranty and begins at the end of the standard warranty period.

Australian Consumer Law:

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law (ACL.) You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

The ACL protects consumers by automatically giving them basic, guaranteed rights for goods they purchase ("Consumer Guarantees") at no charge. For example, the ACL requires that, taking account of the nature of goods, the price, any representations made by the supplier or manufacturer and other relevant circumstances, the goods must be free of defects, do what they are meant to do, be safe, durable and acceptable in appearance and finish, be fit for any particular purpose that the consumer makes known and comply with any description given or any demonstration model used.

In the event of a breach of a Consumer Guarantee where there is a major failure of the goods, consumers are entitled to reject the goods and choose a replacement or refund and claim compensation for any reasonably foreseeable loss or damage suffered by consumers as a result of the failure. Where the failure does not amount to a major failure, consumers are entitled to have the supplier repair or replace the goods (at the supplier's choice). Whether a specific failure breaches a Consumer Guarantee and a consumer is entitled to a remedy under the ACL will depend on the circumstances.

Consumer Guarantees have no set time limit but generally last for an amount of time that is reasonable to expect in the circumstances, given factors including the cost and quality of the goods, the use made of the goods or any representation made by the supplier or manufacturer. Consumer Guarantees may continue even at the expiry of the Manufacturer's warranty for the goods or this Extended Warranty Plan. The exact amount of time that Consumer Guarantees last in the case of a specific purchase varies depending on the circumstances.

Consumers with a claim for breach of a Consumer Guarantee should contact ASKO at first instance. If you are unable to reach a resolution with ASKO as to the remedy, you should seek independent advice and/or contact the Australian Competition and Consumer Commission (ACCC) or Your state/territory fair trading body.

Goods presented for repair may be replaced by refurbished goods of the same type rather than being repaired. Refurbished parts may be used to repair the goods.

Additional benefits under the ASKO Extended Warranty Plan not available under ACL

We appreciate that you may want the certainty of knowing that, if the appliance purchased is faulty, it is covered for a specific time period.

With the Complimentary ASKO Extended Warranty Plan, subject to the terms and conditions, consumers obtain certainty regarding the period of coverage and the remedy that will be provided. The plan also offers the convenience of having the repair and/or replacement process managed by ASKO, with work undertaken by ASKO-trained technicians.

It is the consumers choice whether to seek a remedy from the Complimentary ASKO Extended Warranty Plan or from ASKO via their ACL rights.

The benefits to the consumer given by the Complimentary ASKO Extended Warranty Plan are in addition to other rights and remedies of the consumer under law in relation to goods or services to which the Complimentary ASKO Extended Warranty Plan relates.

Replacement Terms

If ASKO cannot repair the goods or if the cost of replacement is less than the cost of repair, ASKO will replace the goods with an appliance of the same or equivalent specification (subject to the terms and conditions of the Extended Warranty). Upon replacement of the goods, the Extended Warranty will end immediately, and there will be no refund of the fee paid to participate in the Extended Warranty.
