

Long story short:
125 years of quality.

20 YEARS German engineered and tested to the equivalent of 20 years' average usage.**
Terms and Conditions apply. Visit miele.com.au/quality

**During development phase of the displayed product series dishwasher G 5000 and G 7000, Miele has tested the functionality of core components in durability tests to simulate 20 years' average use within an average household. Individual products are likely to require servicing from time to time and may require replacement of core components to maintain them in a serviceable condition. Effortless results

Detergents specifically designed for Miele dishwashers

Scan the QR code for more information. *#Terms and Conditions apply. See Miele.com.au/promotions for details. Strictly while stocks last. Annual requirement calculated based on 5 wash-cycles a week (260 wash cycles per year). Initial supply of 1x20 Miele UltraTabs All-in-1 is supplied within the outlined G 5000 dishwasher, and the subsequent 4x60 UltraTabs All-in-1 will be delivered separately to the dishwasher. Only one claim is permitted per product sold. See in-store for expected delivery date, however due to high demand and external factors (such as COVID-19, logistics and supply chain constraints), delivery may be delayed. ^^www.waterrating.gov.au as at 21 November 2022.
